

B-Mosaic “Fire and Light” Leaders Gathering

– May 1-3, 2026 in East Nashville, TN

B-Mosaic is an apostolic leadership alliance. Our primary mission is to create partnerships for Kingdom purposes and community transformation.

You are welcome to join us at the “Fire and Light” Leaders Gathering. Our emphasis is on “JESUS, the bringer of the Fire of Revival and the Light of Reformation.”

“For far too long, revival and reformation have been treated as different ends of the ‘God in human history’ spectrum. From Mariah Woodworth-Etter’s sensational healing revivals to William Wilberforce’s reformational efforts to stop slavery, the fire and the light have been compartmentalized, seemingly incompatible. Nothing could be further from the truth. Wherever we find God’s fire, we also find His light of truth to change the world. When Holy Spirit fire burns and God’s nation building light shines, the Kingdom comes in irresistible power. The fires of revival and the light of reformation are partnering together through God’s sons and daughters to bring unprecedented transformation everywhere.” -Bill Bennot

This gathering will be a significant time of encouragement, ministry, testimony and **CONNECTING** of our vision, faith and relationships for Kingdom Purposes.

Our hosts and speakers will be B-Mosaic leaders, friends and guests: Bill Bennot, Chip Buhler, Kevin Dedmon, Doug Watson, and Mark Lancaster.

Registration is \$75 per person.
